(Lee Penny - Louise Massey)

In my adobe hacienda
There's a touch of Mexico
Cactus lovelier than orchids
Blooming in the patio.

Soft desert stars, the strum of guitars
Make every evening seem so sweet
In my adobe hacienda
Life and love are more complete.

--- Instrumental ---

In my adobe hacienda
Nested in the western hills
Evening breezes softly murmur
Harmony with whippoorwills.

Soft desert stars the strum of guitars
Make every evening seem so sweet
In my adobe hacienda
Life and love are more complete.

Life and love are more complete...
