Sometimes in the morning, when shadows are deep  
I lie here beside you, just watching you sleep  
And sometimes I whisper what I'm thinking of:  
My cup runneth over with love

Sometimes in the evening when you do not see  
I study the small things you do constantly  
I memorize moments that I'm fondest of  
My cup runneth over with love

In only a moment we both will be old

We won't even notice the world turning cold  
And so in this moment with sunlight above  
My cup runneth over with love  
My cup runneth over with love
