No letter today I've waited since dawn I've waited each
day since you have been gone
No letter today all the days are so long oh why don't
you write I know I was wrong
Just give me one chance please won't you forgive I'll
love you my dear as long as I live
I know it's no use though I hope and I pray the postman
goes by no letter today

Just give me one chance please won't you forgive I'll
love you my dear as long as I live
I know it's no use though I hope and I pray the postman
goes by no letter today
