OUT IN THE COLD AGAIN

WRITERS RUBE BLOOM, TED KOEHLER

(Out in the cold) The song that you sang so sweetly You
called it our love refrain It's gone and I'm left
completely Out in the cold again I dreamed that our
love would linger But just memories remain As I gaze
at that ringless finger Out in the cold again True it hurts
my pride to step aside for somebody new But deep
down inside my whole world depended on you I wanted
your arms around me To shelter me from the rain But
now I'm back where you found me Out in the cold again
(True it hurts my pride to step aside for somebody
new) (But deep down inside my whole world depended
on you) I wanted your arms around me To shelter me
from the rain But now I'm back where you found me Out
in the cold again Out in the cold
