(Curly Putman)

If you think you've had enough
If you think our life's been rough
Why not take your love light off of me
And set me free.

If you think our love's all wrong
If you feel the fire is gone
If I'm not what you'd like for me to be
Then set me free.

Set me free and let me fly
Like a bluebird fly in high
Release the chains that bind you and me
And set me free.

Set me free and let me fly
Like a bluebird fly in high
Release the chains that bind you and me
And set me free.

Set me free.
Set me free.
Set me free...
