"She Called Me Baby, Baby"

She called me "baby, baby" all night long
Used to hold and kiss me 'till the dawn
And one day I awoke and she was gone
There's no more "baby, baby" all night long

She called me "baby, baby" all night long
Kissed my tears away when things went wrong
What I'd give if she'd just come back home
And call me "baby, baby" all night long

She called me "baby, baby" all night long
Lift me up so high and made me strong
Now each night in dreams just like a song
I still hear "baby, baby" all night long
