SHE THINKS I STILL CARE

(Because she thinks I still care)

Just because I asked a friend about her

Just because I spoke her name somewhere

Just because I rang her number by mistake today

She thinks I still care

Just because I haunt the same old places

Where the mem'ries of her lingers everywhere

Just because I'm not the happy guy I used to be

She thinks I still care

But if she's happy thinking I still need her

Then let that silly notion bring her cheer

But how could she ever be so foolish

where could she get such an idea

Just because I asked a friend about her

Just because I spoke her name somewhere

Just because I saw her then went all to pieces

She thinks I still care

She thinks I still care
