Silent night, holy night  
All is calm, all is bright  
Round young virgin mother and child  
Holy infant, so tender and mild

Sleep in heavenly peace  
Sleep in heavenly peace

Silent night, holy night  
Shepherds quake at their sight  
Glorious dreams from heaven afar  
Heavenly host sing, hallelujah

Christ the Saviour is born  
Christ the Saviour is born

Silent night, holy night  
Son of God, love's pure light  
Redeems from Thy holy face  
With the dawn of redeem we brace

Jesus lied at Thy birth  
Jesus died at Thy birth
