(Ted Daffan)

(Feelin' tired and weary from my head down to my shoes

Feelin' tired and weary from my head down to my shoes

Got a low down feelin' truck driver's blues

Keep them wheels a rollin' I ain't got no time to lose

Keep them wheels a rollin' I ain't got no time to lose

Got a low down feelin', truck driver's blues.)

Ride, ride, ride on into town

There's a honky tonk gal a waitin'

And I've got troubles to drown

(Never did have nothin', I've got nothin' much to lose

Never did have nothin', I've got nothin' much to lose

Just a low down feelin' truck driver's blues.)

Ride, ride, ride on into town

There's a honky tonk gal a waitin'

And I've got troubles to drown

(Never did have nothin' I've got nothin' much to lose

Never did have nothin' I've got nothin' much to lose

Just a low down feelin' truck driver's blues.)

(Never did have nothin'', I've got nothin' much to lose

Never did have nothin', I've got nothin' much to lose

Just a low down feelin' truck driver's blues...)
