"Tumbling Tumbleweeds"

See them tumbling down pledging their love to the
ground
Lonely but free I'll be found drifting along with a
tumbling tumbleweed
Cares of the past are behind nowhere to go but I'll find
Just where the trail will wind drifting along with a
tumbling tumbleweed
I know when night has gone that a new world's born at
dawn
I'll keep rolling along deep in my heart is a song
Here on the range I belong drifting along with a
tumbling tumbleweed
[steel]

I'll keep rolling along...
