I'm like a cloud drifting from town to town each new  
love just helps me on my way  
No one woman's ever gonna tie me down  
When one gets too close I'll just back up and say  
I gotta be walkin' on new grass singin' a new song  
Tomorrow there's no telling where I'll be  
But I'll be walking on new grass singing a new song  
The next time up the road keeps calling me

I'm warning you don't fall in love with me I don't plan on  
being here too long  
You're just a leaf caught in a playfull breeze I'll carry  
you a while then I'll move on  
I gotta be walkin' on new grass...

[ guitar ]  
I won't take roots I never stay that long and a bad seed  
just won't grow anyway  
This rolling stone don't wanna gather no moss  
When the grass starts to grow I'll back up and say  
Well I gotta be walkin' on new grass...
