What's he doin' in my world what's he doin' holdin' my  
girl  
If he's not more than just a friend then why were you a  
kissin' him  
And what's he doin' in my world  
What's he doin' in my world did you tell him that you're  
my girl  
If your love is really true tell him my world is made for  
two  
What's he doin' in my world  
Don't let me keep on wonderin' just what you're gonna  
do  
Wonderin' if the one I love love somebody new  
What's he doin' in my world we don't need him in our  
world

So if it's true he's just a friend explain the kisses you  
gave him  
And what's he doin' in my world  
What's he doin' in my world...
