Woman ooh sensuous woman you control the world I'm
living in
Woman ooh sensuous woman release my body and let
me live again

Step by step you taught me easy lovin' night by night
you caught me in your web
My self control was overruled by passion I couldn't see
the heartache just ahead
Woman ooh sensuous woman...

Someone true's at home I should be with her and she
don't know I crave your exstasy
But many hearts will break if I don't conquer this lustful
spell you've cast all over me
Woman ooh sensuous woman...
