Today, you feel worse than how you always feel
And today is much worse than yesterday could be.
JUST DON'T LET GO!

Just don't let go of Him!

You feel so lonely
You're not alone
All you do is condone,
You never go home!
You feel so lonely
You're not alone
So why don't you find a friend in Him,
And find a friend in me!

He's always there for you
Just hear the knocking
And let Him in!
Just acknowledge the calling
And don't let go!

Just don't let go of Him
Just don't let go of your hope,
And everything,
And every dream...
He'll help you along the way

I never knew
Anyone could heal like this!

You feel so lonely
You're not alone
All you do is condone,
You never go home!
And you feel so lonely
You're not alone
So why don't you find a friend in Him,
And find a friend in me!

Woahh (x3)

I just don't know,

Which way to turn,
Or which way to go
I just don't know
You're not alone!

You feel so lonely
You're not alone
All you do is condone,
You never go home!
You feel so lonely
You're not alone
So why don't you find a friend in Him,
And find a friend in me?
