Uh, ooh sucky sucky now
Hey, ooh, come on baby

Hey there sugar dumpling,
Let me tell you something,
Boy, I've been trying to say now.
You look so sweet and you're so darkle find,
Just can't get you out of my mind.
You've become a sweet taste in my mouth now (in my
mouth)
And I want you to be my spouse (he's a spouse),
So that we can live happilly now (happilly),
In a great big old roomy house,
I know you're gonna groove me baby.
Ooh yeah now...

Make me feel good inside,
Come on and groove me baby
I need you to groove me
Ooh yeah now darling...
Uh, come on come on...
Uh...

Hey there sugar dumpling,
Come on give me something,
Boy, I've been needing for days now
Yes some good good loving,
Many pretty huggings,
You qute little thing you.
Boy between you and me (you and me),
We don't need no company (company),
No other man, no other girl now (no one),
Can enter into my world,
Not as long as you groove me baby.

Come on...
Make me feel good inside,
Move me baby...
Move me baby (move me)
I like it like that baby
Come on and... move me baby,
I need you to move me,

Ooh I like it like that baby,
Groove me baby,
I need you to groove me,
Yeah it's good baby,
Ooh oh,
It feels good.

You can groove me,
You can groove me,
You're grooving me.

You can groove me,
You can groove me,
You're moving me

You can groove me,
You can groove me,
You're grooving me.

You can groove me,
You can groove me,
You're moving me
