I've been waiting so long trying to find a day like this.  
For once in my life my turn has come.  
I will cherish this moment until I'm gone.until I'm gone.

(Chorus)

It's been fun being ordinary but now it's time to carry  
myself up that stage.

When I'm up that stage I will imagine all the beauty in  
life,  
Cause it's time for people to realize who I am.  
Who I am.

(Chorus)

It's been fun being ordinary but now  
It's time to plan who's going to be in my singing band.

When I'm there I will shine like a star up in the sky.  
I won't let go of this until I fly.

(Chorus)

It's been fun being ordinary but now it's time stop being  
a wannabe.

When I was just a little girl I remeber wishing for when I  
grew up to scream out loud  
When I sing up on that stage.I will proud of how loud I  
can sing.  
You will sing along to my song.you will be a fan who  
wants to be in my band.

My dream came true and yours will too and very soon  
(you bet it will)  
It will come true no matter who keeps it away from you.

(Chorus)

It's been fun being ordinary but it's time to grow and  
show people who I am.  
Who I am.

(It's been fun being ordinary) x2
