I saw a rainbow on the day my grandma died; fucking  
lesbian  
For 15 cents a day you can feed an African; they eat  
pennies  
Old peoples' skin sags because it is being pulled  
toward the underworld  
A kid insulted my mother, so I said: "Yo momma is so  
black"  
Do unto other as you would have them do to you; said  
the rapist  
My aunt used to say: "Slow and steady wins the race."  
She died in a fire

Those in glass houses shouldn't throw stones; or  
masturbate during the daytime  
Even if he is your friend, never, ever call an Asian  
person  
Bono; If you want to help poor people, sell your tinted  
shades you cunt
