"A Bell And Tumble"

This bell and tumble makes a sound
Hearts stop and stumble underground
Oh, oh, like shadows dancing in the night
Her arms are draped across the sky
Oh, oh, ooh oh, ooh oh, ooh oh, ooh oh.

But it's easy I believe what I was seeing,
In my head I wasn't dreaming, when my fingers started
Singing.
Can you see me singing?

My love was swallowed by a whale.
We danced a waltz inside his tail
Oh, oh, with chandeliers and candle light
The ocean sparkled in the night

But it's easy I believe what I was seeing,
In my head I wasn't dreaming, when my fingers started
Singing.
Can you see me singing? [2x]
