Blame don't shoot me
Just a guy who's
Lying naked over you
Blame you use me
Just as much as
I am into using you

All the little movies
That we made
Co-star you babe
Yet i'm the one
Who's messing up the bed

[Chorus:]
Blame, blame, blame
For bang, bang, bangin' you
I remember
That you were so into it too
One plus one is adding up
To so much more

This is what
You asked for
Lame, lame, lame
The guys
Is always gonna get the
Blame

Blame don't shoot me
Just a boy who's
Getting dressed
And going home
Blame you confuse me
It was your rule
That we both
Wake up alone

All the little movies
That we made
Don't have endings
Funny how
They all began in bed

Blame, blame, blame
For bang bang bangin you
For bang, bang, bangin' you

I remember
That you were
So into it too
One plus one
Is adding up
To so much more

This is what
You asked for
Lame, lame, lame
The guys
Is always gonna get the

And it's always a no
But it's wants be yes
With you ripping me
And me tearing your dress
Said you want me to stop
But you keep screaming

Yes [6x]

Blame, blame, blame
For bang, bang, bangin' you

One plus one is adding up
To so much more

Blame, blame, blame
For bang, bang, bangin' you
I remember
That you were so into it too
One plus one is adding up
To so much more

This is what
You asked for
Lame, lame, lame
The guys
Is always gonna get the
Lame, lame, lame
The guys
Is always gonna get the
Lame, lame, lame
The guys
Is always gonna get the

Blame
