Letters that we don't send
Say the things we mean most
They remain inside us
Haunting holding
When I dream I can't sleep
When I miss I miss you
When I leave it
Always leaves me
Wanting wanting

Don't give up on me
We may need a miracle
When I look at you
There's an angel who
Never left me completely
Don't give up on me
Cause we are
When I look at you
I see an angel
That wants to leave
Don't you give up on me

When we least expect it
They decide
To break through
Seems a heart
May know me
I know you know you
When I sleep I can't
When I miss I
When I stay
I'm always
Staying for you
For you

Don't give up on me
We may need a miracle
When I look at you

There's and angel
Who never

Left me completely
Don't give up on me
Cause we are the musical
When we touch when you feel
When see what I could be
Don't you give up on me

And for thing we take
We must give something
And our hearts
Will have to break
Before we feel something
Feel something
All I destroy
Begins to mean something
Without you
Without the trust
With out you

Don't give up on me
We may need a miriacle
When I look at you
There's an angel
Who never
Left me completely

Don't give up on me
We may need a miracle
When I look at you
I see an angel who
Don't you give up on me

Don't give up on me
Cause we are the musical
When we touch when you feel
When you see what I could be
Don't you give up on me
