If it's fear  
That you feel  
The fear exists  
On a larger scale  
Spin the world  
And stop it still  
Anywhere you land  
Anyone you kill  
You are gonna find that

*[Chorus:]*  
Everybody bleeds the same  
After all  
Everybody feels the same  
Pain  
And the preachers preach  
And they write it all down  
Like they know  
But the secret is  
Everybody bleeds the same

I am you and you are me  
We are the same mistake  
Packaged differently

Who is your god  
When you pray  
If you break it down  
To the dna  
You are gonna find that

*[Chorus]*

While soldiers  
Pull the covers  
Over there dead  
Roll over to your lover  
Say put your arms around me  
Surround me in the darkness  
And i'll pray to every god  
My soul to keep  
Cause i'm never ever

Gonna get to sleep  
Help me dream  
I wanna dream forever

*[Chorus]*
