Born Helena Jane  
With a restless soul  
She moved west to California  
Became a Center-fold

But once you change your name  
Well the peices fall  
Now she hardly recognizes  
Herself at all

And there's never any rain, when you want it  
A hollow little game, and you've won it  
Looking for a thrill, but you've done it all

So long, put your blue jeans back on girl  
Go Home  
Remember, Hollywood's Not America  
So long, put your blue jeans back on girl  
Go Home  
Remember, Hollywood's Not America  
O yea

And everybody heres, from somewhere else  
You could make a million dollars, but you might lose  
yourself  
And you can take the heat will your heart go cold  
They say acting's just pretending, even that gets old  
And there's never any rain, when you want it  
A hollow little game, and you've won it  
Looking for a thrill but you've done it all

So long, put your blue jeans back on girl  
Go home  
Remember Hollywood's not America  
So long put your blue jeans back on girl  
Go home  
Remember Hollywood's not America

And I know what to do when  
I know that you  
You can be anything you want to be

So long, put your blue jeans back on girl  
Go home  
Remember Hollywood's not America  
So long put your blue jeans back on girl  
Go home  
Remember Hollywood's not America  
Hollywood's not America  
It's not America
