Stop me from feeling  
Stop me from feeling  
Stop me from feeling the fear  
Of falling in love  
Take me from this place  
From this awful space and shake me  
I want you to shake me  
'Til I'm done  
I am done  
Falling in love  
Yeah falling in line  
I am waiting on the staircase  
Waiting for my time  
Waiting for my time  
I am done  
What I need is completeness  
What I need is neatness  
I need a messy kind of make it up  
As you go along  
I need a silence full of nothing  
I need to love  
Without trying  
Without trying to be loving  
I am done  
Falling in love  
Yeah falling in line  
I am waiting on the staircase  
Waiting for my time  
Waiting for my time  
I am done  
I am done  
I am done  
Dig a doo bop bop ...  
I am done  
Falling in love  
Yeah falling in line  
I am waiting on the staircase  
Waiting for my time  
Waiting for my time  
I am done  
I am done

I am done
