It's a beautiful life  
What does it mean to you  
It's a beautiful life

Verse:

Then i awake up  
Wonder where my clothes are  
Try to find some more stars  
And i'm stuck with the same old thing  
That i always dream  
I light a cigarette  
And it's not right  
Where's my ashtray  
Where the hell did i put my coffee  
I can't find anything  
One thing goes wrong  
And then another  
It's a beautiful life  
Thank you mother  
And i've got nothing to lose  
It's the same game  
It's a beautiful life  
It's a beautiful life

Chorus:

When i'm up in the air  
When i'm down on the floor  
I can use a sharper knife  
Is there anything else  
Is there anything more  
This is my beautiful life  
And the poetry's crushing me  
This is my beautiful life

Verse:

I put my clothes on  
To the ground near me  
Does anyone know  
Has anyone found me

I guess i'll just have to wait  
Until the next life  
Hang around for the next laugh  
I'm part of something  
The bigger part of nothing  
And i'm debating  
Do i even like me  
And everybody's trying so hard  
To be so cool  
But you know what's cool  
Not trying

Chorus:

When i'm up in the air

When i'm down on the floor  
I can use a sharper knife  
Is there anything else  
Is there anything more  
This is my beautiful life  
And the poetry's crushing me  
This is my beautiful life

Mid:

I'm crawling across  
And i can't get out  
Will it wash me away  
The currents pulling me down

I was looking for love  
But it's never around  
Come on help me out  
One more time

Bridge:

And i was hoping  
Someone would need me  
It's a beautiful life  
Everything's broken  
Just as it should be  
But it's beautiful to me

Chorus:

When i'm up in the air  
When i'm down on the floor  
I can use a sharper knife  
Is there anything else

Is there anything more  
This is my beautiful life  
And the poetry's crushing me  
This is my beautiful life

End:

It's a beautiful life  
This life

It's a beautiful life  
It's mine  
My beautiful life

Such a beautiful life

Your life

It's a beautiful life
