I kissed your sweet lips  
I floated so high  
Your eyes looked at mine  
The world froze in time  
What is this feeling?  
I am on cloud nine  
Guess  
I'm still reeling  
From your body  
Next to mine

It's a rush  
I can't explain  
Like you shot  
Something crazy  
Into my veins  
And I'm ten feet  
Off the ground  
And I don't want  
To come down  
Don't want  
To come down

I know  
You're sleeping  
I wish you  
Were right here  
'Cause my bed's so empty  
I'd hold you so close dear  
And I sang my song to you  
Your smile was priceless  
What else can I do?

I'm a junkie over you

It's a rush  
I can't explain

Like you shot something  
Crazy into my veins  
And I'm ten feet  
Off the ground

And I don't want  
To come down

Is it me  
Or is everything spinning  
I'm wide awake  
But I must be dreaming  
It's like  
You're some kind of drug  
Try to catch my breath  
And see  
If I'm still breathing  
Touch my heart  
And make sure  
It's beating  
It's like  
I'm falling in love

It's a rush  
I can't explain  
Like you shot  
Something crazy  
Into my veins  
And I'm ten feet  
Off the ground  
And I don't  
No I don't  
No  
Don't want  
To come down  
Don't want  
To come down  
Gonna come down
