Well if I
Had it all
All my life again
Yes if I had it all
And if we
Could slow it down
Wind it down
'N look at everything that we screwed up
Look at everything we messed up
Yeah
Willing to wait
I will survive
I will love every minute of my life
I will not concede
Look at you
So proud
But you lie
So I will sit here and wait
Until all your fantasies fall behind
Look at you
So dead
Yeah you've got nothing on me brother
But some kind of distance blood tie
Willing to wait
I will survive
I will love every minute of my life
I will not concede
I will believe
So if I
Am not
Who you thought
I was
Well hello
It's nice to meet you
It's nice to meet you
Yeah
Willing to wait
I will survive
I will love every minute of my life
I will not concede
I will believe

Willing to wait
I will survive
I'm willing to wait
'N I will survive
You know why
'Cause I am the one
Who makes you want me
'N I am the one
Who makes you need me
I am the one
Who lets you tease me
Deceive me
Now get down on your knees and please me
Abuse me abuse me abuse me ...
