"Yama Hey"

He's ride upon a horse through the down
I ride up a horse like I'm gone
You taste Taloil gasoline with rabbits in
You pray against the law when sun is in

Yama, hey, hey
Yama, yama, hey, hey
Yama, yama, hey

Yama, hey, hey
Yama, yama, hey, hey
Yama, yama, hey

That is the song that must be sung
These are the words that must done
This is a song that must be sung
These are the words that meet

Yama, hey, hey
Yama, yama, hey, hey
Yama, yama, hey

Yama, hey, hey
Yama, yama, hey, hey
Yama, yama, hey

He's makin' a lot of noise counting
He built down this mountain by ruth
We'd like it to another dirty song
We don't because the captain says it's wrong

Yama, hey, hey
Yama, yama, hey, hey
Yama, yama, hey

Yama, hey, hey
Yama, yama, hey, hey
Yama, yama, hey

We don't because the captain says it's wrong
You have your husband sitting on the door

You wanna kick him and what is more
They'll spoil down this chorus sing this

Yama, hey, hey
Yama, yama, hey, hey
Yama, yama, hey

Yama, hey, hey
Yama, yama, hey, hey
Yama, yama, hey

Yama, hey, hey
Yama, yama, hey, hey
Yama, yama, hey

Yama, hey, hey
Yama, yama, hey, hey
Yama, yama, hey

Yama, hey, hey
Yama, yama, hey, hey
Yama, yama, hey
