I want a yellow you a yellow me  
Can't you see what is ailing me  
I want a yellow you a yellow me  
Can't you see what is wrong.

You can send me up to heaven  
You can keep me down and alive  
You can take me down to hell with you  
Or become my true blue wife.

I want a yellow you a yellow me  
Can't you see what is ailing me  
I want a yellow you a yellow me  
Can't you see what is wrong.

You can break me up in pieces  
You can keep me whole and astride  
You can give me to the leacher or  
To stay with me and abide.

I want a yellow you a yellow me  
Can't you see what is ailing me  
I want a yellow you a yellow me  
Can't you see what is wrong.

You can throw me in the jailhouse  
You can throw me down to the sharks  
You would do it for the kick of it  
Or just to hear the dogs bark.

I want a yellow you a yellow me  
Can't you see what is ailing me  
I want a yellow you a yellow me  
Can't you see what is wrong.

There's one thing more that you can do  
Go away and cut out the lie  
I'm in love and always will be, so  
Why don't you go away and die.

I want a yellow you a yellow me

Can't you see what is ailing me  
I want a yellow you a yellow me  
Can't you see what is wrong.
