Well hello, Carolene  
It's so good just to see you  
It's been quite a while  
And we both may have changed

But last night I was wondering  
If I'm under my track  
'Cause I just got to say  
Baby I want you back

I want to know  
Don't keep me waiting  
Don't keep me wondering  
Let's do it again

I want to know  
Don't keep me waiting  
Don't keep me wondering  
Let's do it again

Well hello, Carolene  
When you caught me crying  
Late in the day  
When the light turns to blue

'Cause we lived our love  
In those warm afternoons  
Oh I know you remember  
Won't you please say you do

I want to know  
Don't keep me waiting  
Don't keep me wondering  
Let's do it again

Well hello, Carolene  
When you caught me crying  
Late in the day  
When the light turns to blue

Well hello, Carolene  
When you caught me crying

Late in the day  
When the light turns to blue

Aah, Carolene  
Let?s do it again  
Why don?t you do it again

Aah, Carolene  
Let?s do it again  
Why don?t we do it again

Aah, Carolene  
Let?s do it again  
Why don?t we do it again

Aah, Carolene  
Let?s do it again  
Why don?t we do it again
