You are here and warm
But I could look away and you'd be gone
Cause we live in a time
When meaning falls in splinters from our lives
And that's why I've travelled far
Cause I come so together where you are

And all of the things that I said that I wanted
Come rushing by in my head when I'm with you
14 joys and a will to be merry
And all of the things that we say are very
Sentimental gentle wind
Blowing through my life again
Sentimental lady
Gentle one

Now you are here today
But easily you might just go away
Cause we live in a time
When paintings have no color, words don't rhyme
And that's why I've travelled far
Cause I come so together where you are

And all of the things that I said that I wanted
Come rushing by in my head when I'm with you
14 joys and a will to be merry
And all of the things that we say are very
Sentimental gentle wind
Blowing through my life again
Sentimental lady
Gentle one

You are here and warm
But I could look away and you'd be gone
Cause we live in a time
When meaning falls in splinters from our lives
And that's why I've travelled far
Cause I come so together where you are

Yes and all of the things that I said that I wanted
Come rushing by in my head when I'm with you
14 joys and a will to be merry

And all of the things that we say are very
Sentimental gentle wind
Blowing through my life again
Sentimental lady
Gentle one

Sentimental gentle wind
Blowing through my life again
Sentimental lady
Gentle one

Sentimental gentle wind
Blowing through my life again
Sentimental lady
Gentle one

Well sentimental gentle wind
Blowing through my life again
Sentimental lady
Gentle one
