Mama says truth is all that matters
Lyin' 'n deceiving is a sin
Drifting through a world that's torn and tattered
Every thought I have don't mean a thing

Don't stop, don't stop the dance
No, more music, don't stop the dance

Mama says love is all that matters
Beauty should be deeper than your skin
Living for the moment lips and lashes
Will I ever find my way again

Don't stop, don't stop the dance
No, more music, don't stop the dance

Don't stop, don't stop the dance

Mama says only stormy weather
Don't know why there's no sun in the sky
Footsteps in the dark come together
Got to keep on movin' or I'll die

Don't stop, don't stop the dance
No, more music, don't stop the dance

Don't stop, don't stop the dance
No, more music, don't stop the dance

Don't stop, don't stop the dance
