And now the marriage vow is very sacred  
The man has put us together now  
You ought to make it stick together  
Come on, come on and stick together  
You know we made a vow to leave one another never  
But now you never miss your water till your well is dry  
Come on now baby give our love a try  
Let's stick together, c'mon, c'mon let's stick together

You know we made a vow to leave one another never  
Then if you're stuck for a while consider our child  
How can it be happy without its ma and pa  
Let's stick together, c'mon, c'mon let's stick together  
You know we made a vow to leave one another never
