Diamonds are forever.
But passion is better.
And cold hard cash can't save a sinner's soul.

Springtime in Paris. Is reckless and careless
But life is more than just a fashion show

And somewhere in te distance
Is a voice I recognize.
A boy I had forgotten 'till tonight

You give me reason to live
You give me all of what is
You make it hard to deny
That I'm falling down on love
Down on love

You lose it you find it
Like a wristwatch you wind it
You got so absent minded
That you almost lose yourself

And somewhere in te distance
Is a voice I recognize.
A boy I had forgotten 'till tonight

You give me reason to live
You give me all of what is
You make it hard to deny
That I'm falling down on love
Down on love

And somewhere in te distance
Is a voice I recognize.
A boy I had forgotten 'till tonight

You give me reason to live
You give me all of what is
You make it hard to deny
That I'm falling down on love
Down on love

Down on love. Down on love
