[Verse 1:]

Take my hands
I've been searching
Found you here
On your own
Can you hear
On my yerning
Reach my soul
Only want to

Feel you
Feel you

This night
Can last forever
We shine
And will be together

Feel you
Feel you

[Verse 2:]

Were too young
I've been running
Slow me down
Show me love
Do you feel
All this burning
Make me whole

Only want to

Feel you
Feel you

This night
Will last forever
I know
We can be together

Feel you
Feel you

Reach My Soul
Reach My Soul
Reach My Soul
Reach My Soul
Reach My Soul

This night
Will last forever
I know
We can be together

Feel you
Feel you
