[Verse 1:]

Just try to break me
Take everything away
Just try to shake me
Out of my place

Nothing's created
And nothing is destro~oyed

[Verse 2:]

Just try to tame me
You'll never find a way
There's no containing
A moment to brake

Nothing's created
And nothing is destro~oyed

[Chorus :]

Take it away
I'll never give this up (No way to break)
Throw it away
We're all made of love (There isn't a way)
We're all made of love

[Verse 3:]

Just try to save me
There's nothing you can change
There's no explaining

And no one to blame

Nothing's created
And nothing can destro~oy

Never give this up
We're all made of love
We're all made of love

[Chorus :]

Take it away
I'll never give this up (No way to break)

Throw it away
We're all made of love (There isn't a way)
We're all made of love

Take it away
I'll never give this up (No way to break)
Throw it away
We're all made of love (There isn't a way)
We're all made of love

I'll never give this up
We're all made of love
We're all made of love
