Cold wind blows
Stealing all innocence
The fall.
Revealed all it took from me

All is said. There?s nothing more
To prove. to spare. A second thought
An image of a dream
I will replace and hide

Inside I?m a storm
I will break to hold on
I love with the thought of possession
I?m eager to please
So much I deceive
I love with the thought of possession

Possession

Possession

All feels wrong
When you?re away from me
The thought.
That nothing is what it seems

No escape. I cannot fight
To be, to blame
I?m left behind. An image of a dream
I will forget. I hide

I know I can let go
I know I won?t let go

Inside I?m a storm
I will break to hold on
I love with the thought
Of possession

I?m eager to please
So much I deceive

I love with the thought
Of possession

I know I can let go
I know I won't let go

Of possession

Inside I'm a storm
I will break to hold on
I love with the thought
Of possession

I'm eager to please
So much I deceive
I love with the thought
Of possession
