I'm - drifting into Deep Water  
I'm starting to care for you  
You're getting me in Deep Water  
Be careful what you do.

You want a romance, but I'm seekin' love  
I know I'll regret it when it ends  
I'm - windin' up in Deep Water  
Why can't we just be friends.

It's - restless in this Deep Water

I'm lost between right and wrong  
My love is true as Deep Water  
Your love won't last as long.

Where will it lead me and where will it end  
I can't help but wish I only knew  
I'm - windin' up in Deep Water  
So deep in love with you.
