Faded Love

John Wills and Bob Wills

(words by Billy Jack Wills)

Made famous by Bob Wills and the Texas Playboys

Recorded by many artists, Elvis, Patsy Cline, Ray Price, Johnny

Rodrigues, Willie Nelson and a host of others.

As I look at the letters that you wrote to me

It's you that I am thinking of

As I read the lines that to me were so sweet

I remember our faded love

I miss you darling more and more every day

As heaven would miss the stars above

With every heartbeat I still think of you

And remember our faded love

As I think of the past and all the pleasures we had

As I watch the mating of the dove

It was in the springtime when you said goodbye

I remember our faded love

I miss you darling more and more every day

As heaven would miss the stars above

With every heartbeat I still think of you

And remember our faded love
