I've got a new road under my wheels
In my heart there's a new little song
My blues and my worries are over
From now on I'm drivin' alone

Well, there's a new day comin' tomorrow
Everyday is a good day for me
Yesterday took my heartache and sorrow
Today from the past I'm free

Well, I lost my world when I lost all my women
Like a kid I can just run and play
Now I can make up all my hard times and wake up
In a new world everyday

I've got a new road under my wheels
In my heart there's a new little song
I'm livin' and still not forgivin'
From now on I'm drivin' alone

Yeah, I lost my world when I lost all my women
Like a kid I can just run and play
Now I can make up all my hard times and wake up
In a new world everyday

I've got a new road under my wheels
In my heart there's a new little song
I'm livin' and still not forgivin'
From now on I'm drivin' alone
