With tears in my eyes, dear, I begged you to stay
You wouldn't forgive me, so you went away
My yesterdays haunt me, my weary heart cries
I just can't go on, dear, with tears in my eyes

If you ever need me, oh, please let me know
Wherever you lead me, I'm willin' to go
The past is a flower that withers and dies
I'll wake up tomorrow with tears in my eyes

With tears in my eyes, dear, I begged you to stay
You couldn't forgive me, so you went away
I made a mistake, dear, by tellin' you lies
Now I lay awake, dear, with tears in my eyes

No more to be sweetheart, no more to be friend
Just give me a chance, dear, and I'll make amends
My yesterdays haunt me, my weary heart cries
I just can't go on, dear, with tears in my eyes
