RUFF RUFFMAN:

Life was sissing its mystique
My squeaky toys have lost their squeak
And then, out of the blue,
I saw the phone and BAM! My destiny is calling me!

Pitched my vision for a show
They loved it! Thought I was a pro
They've goy my contract back to find
To their alarm a dog had signed

BACKGROUND SINGING CATS: Fetch!

RUFF: Oh, I like that name.

CATS: With Ruff Ruffman

RUFF:

I didn't wait to renovate
Found 6 contestants, now they're great!
And now, I'm on the road to fame
I've got a gameshow and its name is...

CATS: Fetch!

RUFF: It's very catchy!

CATS: With Ruff Ruffman

RUFF: It rolls off the tongue!

CATS:

With Ruff Ruffman
Fetch!
