(Lyrics: Scott Starr)

Take me back into your room and do me. Take me back
into your room. 'Cause all the kites in the world couldn't
make me feel higher than you do.

No you can't keep me in.
No you can't keep me out.

No long conversations I want real sensation.
Tell me what you've seen on the news you move me.
Tell me what you've seen on the news.'Cause all the
kites in the world couldn't make me feel higher than
you do.

No you can't keep me in.
No you can't keep me out.

No long conversations I want real sensation
