Don't cry, don't cry  
Baby don't, behind my back  
Don't cry, don't cry

Lady, I, I want to tell you  
That you're all that I want and all that I need  
And if you feel you wanna cry  
Just let me look inside

I understand the pain that you feel  
And when you need someone to hold you  
You can come and run to me  
And I will be your guiding in the night

Please, don't act like that  
Don't cry behind my back  
Said, I never like the power in your eye  
Light the fire inside your heart

If you put your hand in mine  
Just let me read your mind  
Baby, baby, please don't act like that  
Don't cry behind my back

Baby, you, you're the one for me  
And when you need me by your side  
I will be there  
'Cause I know what's in your mind

Sometimes you want to cry  
But you feel afraid to reveal it to me  
But if you bring your broken heart  
I will mend every part  
So I can be the one to heal it totally

Please don't act like that  
Don't cry behind my back  
Said, I never like the power in your eye  
Light the fire inside your heart

If you put your hand in mine

Just let me read your mind  
Baby, baby, please don't act like that  
Don't cry behind my back

So when you're feeling down and out  
I feel it in my heart  
And when you need someone to hold you tight  
You know that you can depend on me

And I know  
Lovin's nothing less  
You give and get something  
At times when you feel you can't go on

Don't cry, don't cry  
Don't cry, don't cry behind my back  
Don't cry, don't cry  
Don't cry, don't cry behind my back

I said, lovin's nothing less  
You give and get something

Please don't act like that  
Don't cry behind my back  
Said, I never like the power in your eye  
Light the fire inside your heart

If you put your hand in mine  
Just let me read your mind  
Baby, baby, please don't act like that  
Don't cry behind my back
