Dog eat dog world  
Is this where your heart lies  
I'm supposed to take it with a grain of salt

Forget the cause, image is where it's at  
Be all you can be if it suits your purpose  
Buying your acceptance from the kids that pay for it

Enticing them with ear candy  
Scratch my back, I'll scratch yours  
Telling them what they want to hear

Do you want to stand out  
Do you want to stand out  
Then step down be a servant

Building yourself up will only get you knocked down  
Contentment with yourself will show a life of plenty  
Christ becomes a trend rather than a thirst  
Christ becomes a trend rather than a thirst

Talk the talk but can't walk the walk  
Talk the talk but can't walk the walk

Adoration of one  
Feeds contentment for the other

Adoration of one feeds contentment for the other  
Don't be preoccupied with getting  
So you can respond to God's giving  
This is not what He intended

Using Him as a cover and taking up the latest fad  
It's all a religious fashion show

This is not what He intended  
Using Him as a cover  
And taking up the latest fad  
It's all a religious fashion show

Make a statement  
But beware of what could be the next

Trends come and go  
But Christ will always remain the same

Make a statement  
But beware of what could be the next  
Trends come and go  
But Christ will always remain the same
