Thinking of You, breeze is warm  
Make me steadfast is understanding  
You breathed the word and the stars were born

Precious memories, too many to count  
Wherever You are is where I want to be  
Walking the path that few dare to tread

My mind is locked and worries are afar  
Can I ever repay You? Here's my life

'Cause You are so beautiful to me  
(You are so beautiful)  
You are so beautiful to me  
(You are so beautiful)

You are so beautiful to me  
(You are so beautiful)  
And You are so beautiful to me  
(You are so beautiful)

You are so beautiful to me  
(You are so beautiful)  
And You are so beautiful to me  
(You are so beautiful)
