Because of Who You Are

I praise you Lord, 'cause you died to take my place

I thank you Lord, for your amazing grace

I bless you Lord, you're the one that I adore

I love you Lord, because of who you are

I trust you Lord, 'cause you hold the word in place

You made it all in less than seven days

I see you Lord, when I look near and I look far

I love you Lord, because of who you are

Chorus: The mountain peaks the oceans wide

They speak your name they testify

To all that is and all that was and all that is to come

You're the Great I Am, You're the Holy One

You're the One and Only Son of God

I hear you Lord, when you whisper in my ear

To comfort me and let me know you're near

You come to me, I don't have to wish upon no star

I love you, Lord, because of who you are

(Chorus)

I know you Lord 'cause you reached out your hand

To rescue me and show me how to stand

In truth and love, more than I could ever, ever ask for

I love you, Lord, because of who you are

(Chorus)

You are the start, you are the end, you are the savior,

And my friend

You are the life, you are the breath,

You are the love that conquers death

You bring the sun, you bring the rain, you bring

The peace amidst the pain

You're everything that's good and right, you are the

Change in my life (x3)
