I'm dancing!
Under the magic
Of the red moon
Hypnotized by the light
This evening is on
This evening is awake
Energized by the light
Feeling so high
Dressing to kill
Facing the night
I'm leaving all my troubles behind
I'm dancing this feeling keeps me moving
Dancing the whole night
I'm dancing this feeling keeps me grooving
Dancing to whole night long
Dancing to whole night
This music running through our veins
There's no where to hide
I feel I'm burning
Losing control
On your mind
Full of joy, so alive
Feeling so high
Dressing to kill
Facing the night
I'm leaving all my troubles behind
I'm dancing this feeling keeps me moving
Dancing the whole night
I'm dancing this feeling keeps me grooving
Dancing the whole night long
I'm dancing this feeling keeps me moving
Dancing the whole night
I'm dancing this feeling keeps me grooving
Dancing the whole night long
Dancing the whole night
I'm dancing, I'm dancing
Keep dancing, keep dancing
Dancing the whole night long
Dressing to kill
Facing the night
Crossing the line
Moving so fast

I'm leaving all my troubles behind I'm dancing...
I'm dancing this feeling keeps me moving
Dancing the whole night
I'm dancing this feeling keeps me grooving
Dancing the whole night long
I'm dancing this feeling keeps me moving
Dancing the whole night
I'm dancing this feeling keeps me grooving
Dancing the whole night long
I'm dancing this feeling keeps me moving
Dancing the whole night
I'm dancing this feeling keeps me grooving
Dancing the whole night long
I'm dancing this feeling keeps me moving
Dancing the whole night
I'm dancing this feeling keeps me grooving
Dancing the whole night long
