Come, let us play a game
Let me taste your brain
With words and marks
I know I will make you come and sayÃ¢â€Œ!
Tell ME your liking what you see
As bad as I can be,
I'm taking my sweet timeÃ¢â€Œ!
To slowly make you mineÃ¢â€Œ!
I can feel you trembling now
It's my desire
You are mine
Baby you will be my guilty pleasure
It's my desire
You are mine
You're the finder of my hidden treasure
I can not let you escape
Be your little game
You reason if the thought
You're mine wonders [out] of me
I know I can make you shake and sweat
Eat you trough your head
I'm the reason your addiction
Gets you what you get

It's my desire
You are mine
Baby you will be my guilty pleasure
It's my desire
You are mine
You're the finder of my hidden treasure
It's my desire
You are mine
Baby you will be my guilty pleasure
It's my desire
You are mine
You're the finder of my hidden treasure
Come, let us play a game
Let me taste your brain
With words and marks
I know I will make you come and sayÃ¢â€Œ!
Tell your liking what you see
As bad as I can be,

I'm taking my sweet time
To slowly make you mine

I can feel you trembling now
It's my desire
You are mine
Baby you will be my guilty pleasure
It's my desire
You are mine
You're the finder of my hidden treasure

It's my desire
You are mine
Baby you will be my guilty pleasure
It's my desire
You are mine
You're the finder of my hidden treasure.
