Some say life is hard  
Like swimming upstream  
Or going against the grain  
But I say life ain't that hard  
'Cause I've seen how  
The joy outweighs the pain  
So you can sit and whine  
About the times you've been having  
Oh but as for me I choose to be  
As happy as I can be

(Chorus)

Because I'm Alright  
Trouble may find me  
But it's not gonna keep me down  
'Cause I'll hold on tight  
To the Father who loves me  
And likes having me around  
'Cause He loves me, and He cares for me,  
And so I'll be alright

We go round and round  
Back and forth and almost upside down  
To buy who we are -  
A great big house, nice jeans, and a shiny car  
But I'm learning that this world keeps turning  
With or without me  
So I'll do my best and leave the rest  
To the one watching over me

(Repeat Chorus)

But I'm learning that this world keeps turning  
With or without me  
So I'll do my best and leave the rest  
To the one watching over me.

(Repeat Chorus)
