My dream  
It's feeling soo real  
I see  
You're crying tell me, what's your pain?  
I touch your face  
But you cannot feel a thing  
Tell me  
Is this just a dream?  
Cuz it seems so real  
Romeo Juliet  
Should've never went  
Cuz I know all the pain  
That they must have felt  
When the one  
That you love  
Is forced to keep away  
I fear  
The darkness that kills my soul  
For kill the fools who tried to separate our love  
I call your name  
But you cannot hear me now  
It's time  
For me to depart  
And to leave you my heart  
Romeo Juliet  
Should've never went  
Cuz I know all the pain  
That they must have felt  
When the one  
That you love  
Is forced to keep away  
Romeo Juliet  
Should've never went  
Cuz I know all the pain  
That they must have felt  
When the one  
That you love  
Is forced to keep away  
Romeo Juliet  
Should've never went  
Cuz I know all the pain  
That they must have felt

When the one  
That you love  
Is forced to keep away  
Romeo Juliet  
Should've never went  
Cuz I know all the pain  
That they must have felt  
When the one  
When the one  
When the one  
When the one  
When the one  
When the one  
When the one
